Promises Made. Promises Kept.

“Walters has kept her promises to her constituents”

Orange County Register — 10/21/2016

Mimi Walters ★ Our Congresswoman

The Orange County Register Endorses Mimi Walters

THE ORANGE COUNTY
REGISTER
Re-elect Mimi Walters

Oct. 21, 2016

“In her short time in our nation’s capital, Walters has kept her promises to her constituents, joining the Republican majority in pushing a fiscally responsible agenda that protects private property rights and keeps taxes low.

“She has also performed well on her own, sponsoring a bill that was signed into law – the Survivors’ Bill of Rights Act, which grants greater protections to sexual assault victims. A good cause, to be sure, and having a bill signed by the president in her first term is an impressive feat.

“Walters has proven that she is able to work effectively to represent her constituents and get things done on their behalf. That is why the Editorial Board recommends Mimi Walters for the 45th Congressional District.”
