**America's Mayor
has something
to say about it...**

Dear Friends,

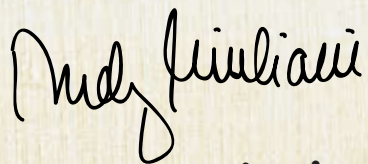

After the terrorist attack on September 11, 2001 our country came together like no other time in our history. Politics took a back seat to the real needs of my city and our nation.

Congressman Darrell Issa was one of the people I turned to for help.

That's why I am so shocked and angry to hear that his opponent, Douglas Applegate, is falsely attacking Darrell, and using images of 9/11 to do it.

Applegate should be ashamed of himself.

Law enforcement and first responders have no greater champion in Congress than Darrell Issa and I am proud to support him.

Rudy Giuliani

Mayor of New York, September 11, 2001
