Jeff Stone *for* Senate

As a Doctor of Pharmacy, small business owner and Riverside County Supervisor, Republican Jeff Stone has the experience, commitment and dedication we need in our next State Senator. He's not been part of the mess in Sacramento – he is part of the solution.

SLASH DEBT – BALANCE THE BUDGET

Locally, Jeff Stone cut spending, reformed public employee pensions and balanced the budget and lowered taxes. He'll work to do the same in Sacramento.

END SPECIAL INTEREST DOMINATION

Sacramento special interests like to control everything, that's why they don't want Jeff Stone in the Senate. *He will answer to us, not them.*

BRING JOBS TO RIVERSIDE COUNTY

A small business owner, Jeff Stone knows that less government red tape and lower fees and taxes will bring jobs to Riverside County and California.
