Dear Friends,

President Obama recently submitted a Budget request to Congress that proposes to raise spending by \$791 billion.

My one word response is NO.

We cannot continue down the road of spending money we don't have, on big government programs we don't need.

As your representative, I'll fight for budget reforms that limit spending, slash debt and require a balanced budget free from gimmicks.

Please go to **www.MimiWalters.com** to learn more about my campaign.

Sincerely,

Mimi Walters
