“It is our responsibility to ensure the men and women who put their lives on the line for us get the care and benefits they deserve.”

— **Congressman Darrell Issa**

**They deserve the very best
our nation has to offer.**

Darrell Issa is a U.S. Army veteran.

As our voice in Washington, Darrell Issa watches out for America's veterans, armed forces personnel and their families and uses his leadership role in Congress to make a difference for us.

Transitioning Veterans to High-Demand Jobs

Congressman Issa delivered funding to support Mira Costa College's program to transition veteran corpsmen and medics into California nursing sector jobs.

“It is a great honor and responsibility to represent one of our nation's largest Marine Corps bases and a district with so many veterans of America's armed forces.”

Hiring More Veterans

Darrell Issa voted for the Hire More Veterans Act, to encourage small business owners to hire more of our nation's returning heroes.

Adding Marine Corp Housing

Congressman Issa fought for and secured funding for over 900 new family housing units on Camp Pendleton Marine Corps Base.

Increasing Benefits for our Troops, Veterans and their Families

Issa voted for a pay raise for our troops and higher rates of VA disability compensation.

Holding the VA Accountable

Issa led efforts to hold VA administrators accountable for the shameful backlog at VA hospitals and the cover-up by VA bureaucrats.
