The Bosses and “Capos” of the State Senate are spending millions to elect one of their most loyal soldiers – **Jose Solorio**.

Just like the real Mafia, they control millions of dollars through labor unions, PACs and others dependent on their favors.

It’s a corrupt system – one that has resulted in 5 legislators being arrested, indicted or convicted this year.

**Jose Solorio is a soldier in the corrupt Sacramento system.**

Solorio was found to have accepted “**illegal gifts**” from a lobbyist.

In his campaign, Solorio has made it clear that he “**has the juice**” with the Sacramento bosses and that he “**always votes**” the way he is told.

**HAD ENOUGH?**

The one thing the Bosses can’t do is control your vote on November 4<sup>th</sup>.

**REJECT Jose Solorio**  
**and Sacramento Corruption.**
