

Audrey Denney pledged her support to Liberal San Francisco Politicians

YOUR VOTE IS NEEDED. Mail your ballot back right away so that your voice can be heard. Missing this election could be expensive for North State Families.

California Gas Taxes have risen 40%

since last year because of a Sacramento plan supported by Liberal San Francisco Politicians.

LIBERAL
AUDREY DENNEY
has pledged to continue the increase on your car and gas taxes.

She supports the same \$5.2 Billion Tax Hike that raised California's gas taxes by 40%, an extra \$800 per year on EVERY North State Family.

Audrey Denney stands with Liberal Politicians over North State Families. Say No to Higher Gas Taxes. Say No to Audrey Denney for Congress.
