“The Link between violence to people and violence to animals is well documented ... In its simplest form: violence to animals is a predictor that the abuser may become violent to people ... Abuse is abuse no matter what the form or whom the victim.”

**Rep. Nancy Mace** is leading efforts to end animal abuse and shut down cruel and illegal cockfighting and dogfighting.

**Mace co-sponsored the Animal Cruelty Enforcement (ACE) Act** that would create an Animal Cruelty Crimes Unit at the U.S. Dept. of Justice to allow prosecutors to crack down on animal fighting networks.

And **Nancy Mace is working with Senator Lindsey Graham** to ban the shipping of our American horses to be cruelly butchered at unregulated slaughter plants in Mexico.

**Reelect Rep. Nancy Mace. A strong conservative who recognizes our duty to care for all of God's creation.**
