THE SACRAMENTO BEE

“Food prices rise at fastest rate since 1979”

Every item we buy at the grocery store is delivered by a truck.

KEN COOLEY VOTED TO RAISE the price those truckers pay for their **FUEL BY 12%.**

Worse yet, **COOLEY VOTED TO RAISE GAS AND DIESEL TAXES** automatically every year.

KEN COOLEY HAS FUELED INFLATION with his bad votes raising the price of gas and diesel.

Tell KEN COOLEY that WE CAN'T AFFORD any more of HIS TAX INCREASES!
